 Help

### Name

A friendly name for this action (will be displayed in the [actions workflow area](#)).

### Enabled

Determines if this action will be run within the relevant stage.

### Message(s)

The text for the messages that you wish to display in the log (one message per line).

### Display As

The type of message to display.

### Add messages to a build comment

If this is ticked, the messages are added to a build comment.

### Ignore warnings

If this is ticked, any warnings logged will not mark the action with a warning status.
