

# Beep Action

The Beep Action will play a sound, either one of the pre defined system sounds, or a Wave File, or a System Sound Alias. Automise creates two System Aliases, Build Complete and Build Error. You can change the sounds assigned to these aliases in the windows control panel.

## Details

The screenshot shows a 'Beep' dialog box with three tabs: 'General', 'Runtime', and 'Details'. The 'Details' tab is selected. It features a 'Beep type' dropdown menu with 'Question' selected, a 'Preview' button, and a 'Filename/System alias' text field with a file icon button. A 'Return immediately' checkbox is also present. The 'OK', 'Cancel', and 'Help' buttons are at the bottom.
