Introducing Continua CI Version 1.7 beta Thu, 30 Jul 2015 06:30:43 GMT	C Action Groups
Adding NTLM SSO to Nancyfx Tue, 19 May 2015 02:52:21 GMT	C:\Users\jason\Documents\Automise Projects\Action Groups.atp5 Last Modified: 2/11/2015 11:06:55 AM Last Run: 23/10/2015 11:14:17 AM (Failure)

Getting Started

The Getting Started section contains useful links:

- Create a new project
- Open an existing project
- · Getting started tutorial opens a tutorial recommended for first-time users.
- Open help file
- Automise Support Forums takes you to the online support forums where you can get help from VSoft support staff and other users. The forums are opened in your default web browser.

Tip Of The Day

A new tip of the day loads automatically each time you open Automise.

Learn More About

These links point to help on the most important concepts you need to know about. If you're new to Automise, we suggest having a read.

Newsfeed

The Newsfeed displays an RSS feed of recent events of interest. There are several feeds available, such as news, blogs, and latest articles. You can also choose any RSS feed you like, by clicking on the "Customise" link as well as disabling the newsfeed completely.
