Help

Required Field

Enter tags separated by a space. A tag is not required to be on a new line.

Name

A friendly name for this action (will be displayed in the [actions workflow area](#)).

Enabled

Determines if this action will be run within the relevant stage.

Tags

Enter tags separated by a space. A tag is not required to be on a new line.

Append to tags

If you select this option, the tags entered in the Tags field will be appended to whatever tags the build already has. If you deselect this option the tags will be overwritten.

Ignore warnings

If this is ticked, any warnings logged will not mark the action with a warning status.
