

Clean Directory Action

This action will remove the contents of the specified directory.

Details

The screenshot shows a 'Clean Directory' dialog box with a dark theme. It has three tabs: 'General', 'Runtime', and 'Details', with 'Details' being the active tab. The 'Clean directory' section features a folder icon and a text field containing the path 'c:\temp\ServerTasks', followed by a folder selection icon. The 'Options' section, marked with a document icon, contains a checkbox labeled 'Fail if directory does not exist' which is currently unchecked. At the bottom right, there are three buttons: 'OK', 'Cancel', and 'Help'.

Clean directory

The full path to directory to clean.

Fail if directory does not exist.

This option will fail the action if the specified directory does not exist.
